A cycling adventure  
and pilgrimage to  
Holy Island

# coast2coast

Welcome to our 2026 pilgrimage. We will attempt to cycle from St Bee's in Cumbria across the country following St Aidan's journey to Holy Island. He travelled to Holy Island in 635 AD to re-establish Christianity in our Country, Founding his base at Lindisfarne. He travelled preaching, establishing churches and schools as he went. Inspired by his mission and teaching we to will journey to Lindisfarne, cycling approximately 100km each day. Stopping at hotels overnight and finishing lunch time on Holy Island Sunday. With time to visit the Lindisfarne Priory and to pray for the evangelisation of our country.
