

## Blessing through Presence (not presents!)

Start here!

This week, Kay brings us a special message about being family and using the things we're good at!

**\*\*POP OVER AND HAVE A WATCH NOW\*\***

**There are two songs to worship/move to as well to help us connect with God as we begin today.**

**READ Acts Chapter 6 verses 1-7 together.**

Wow! It must have been a super busy time mustn't it in the early church?

How fantastic though that God provided ways to spot the right people for the different jobs that needed to be done!

This is true today too, at church, in our homes and in our town; we all have different things that God has made us good at doing – our gifts from God. He wants us to use these things to help and bless those around us.

Just like Kay's day was transformed by a beautiful, practiced smile, you too, could brighten someone else's day by using the things you're good at. Have a chat with your grown ups about what this could mean for you this week.

God loves it when we worship him – have you learnt a new song this week? Pop your favourites on too and praise Him some more today – perhaps grab your instruments too!

**Father God,**

We thank you that you made us all good at doing different things. Help us to use the things we're good at to bless others this week.

Amen.

**KEEP CALM AND GET YOUR CRAFT ON**

Make a drawing or a playdough model of yourself and think about the gifts you have!

# Blessings through presence....

Recap: in what way did you manage to love God or others a bit more this week?

The BIG Q

**What are the things you're really good at doing?**

When we accept Jesus into our lives as our Saviour, God promises to give us special gifts (abilities, talents...) We can use these to bless others in our church, homes, schools and where we might work.

Maybe you've had your friends tell you that they love that you make them laugh? Or that you're always there to listen when they need to talk? Perhaps you're creative, musical, great at encouraging others? Maybe you quietly do jobs for others at home?

Grab your bible and check out what special spiritual gifts might be from these verses:

- 1 Corinthians 12:8-10
- Ephesians 4:11,12,
- 1 Peter 4:10,11

and Romans 12:4-8.....can you relate to any of them? How?

Have a chat at home or with a friend next time you see them about what you spotted.
