“I am the bread of life”

Welcome to Worship at Home

It's harvest this weekend! I wonder how grateful you've been today about the food you've had to eat? Do you know where it all comes from? We hear from a real life farmer in our video this week! There may be an extra harvest video coming too!

We're onto our 5th "I am" statement from Jesus this week! Where did those 5 weeks go?

We might make you a bit hungry this week as the saying we're looking at is...

“I am the bread of life”

Get cosy this wet weekend and light your candle while you have a read together of this weeks verse. Perhaps you could pray that God shows you, as a family, what Jesus means by telling us he is 'the bread of life'. You can find the video in the Worship at Home page of our website [here](#) or you can follow the link on our Facebook page.

I wonder what you'll discover today.....let us know—we'd love you to share your thoughts on the I wonder questions too, if you get chance!

Don't forget, there are activities there too, so have fun spotting differences, finding words and seeing if you can find your way through mazes! You'll be thinking about Jesus when you're eating your toast, making sandwiches, gobbling bread and butter pudding this week....have a great one!
